Honorable President and  
Members of the Board of Education  
Bergen County Special Services School District  
Paramus, New Jersey

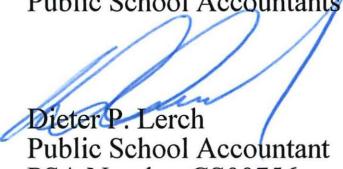

We have audited in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards issued by the Comptroller General of the United States, the basic financial statements of the Bergen County Special Services School District as of and for the fiscal year ended June 30, 2025, and have issued our report thereon dated January 6, 2026.

As part of our audit, we performed procedures required by the Office of School Finance, Department of Education, State of New Jersey and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended solely for the information and use of management, the Board of Education, others within the District and the New Jersey State Department of Education. However, this report is a matter of public record and its distribution is not limited.

**BERGEN COUNTY SPECIAL SERVICES SCHOOL DISTRICT  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

**Scope of Audit**

The audit covered the financial transactions of the Board Secretary/School Business Administrator, the activities of the Board of Education and the records of the various funds under the auspices of the Board of Education.

**Administrative Practices and Procedures**

Insurance

Fire insurance coverage was carried in the amounts as detailed on the Insurance Schedule contained in the district's ACFR.

Official Bonds

<u>Name</u>	<u>Position</u>	<u>Amount</u>
John Susino	Business Administrator/Board Secretary	\$ 10,000
Peter Bellani	Accounting Manager	10,000

All employees are covered by a blanket position bond and are part of the County of Bergen's Insurance Fund.

P.L. 2020 c.44

Our audit procedures included an inquiry and subsequent review of health benefit data required per N.J.S.A. 18A:16-13.3 (Chapter 44) submitted for the year on audit. The Chapter 44 summary report was reviewed for reasonableness and timeliness. The data submitted included all health benefit plans offered by the District and was submitted timely.

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were less than estimated costs. The Board made a proper adjustment to the billings to sending districts for the decrease in per pupil costs in accordance with NJAC 6A:23-3.1(f)3.

**Financial Planning, Accounting and Reporting**

Examination of Claims

An examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of payroll taxes were deposited in the Payroll Agency Account.

All payrolls tested were approved by the Superintendent and were certified by the President of the Board and the Board Secretary/School Business Administrator.

**BERGEN COUNTY SPECIAL SERVICES SCHOOL DISTRICT  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

**Financial Planning, Accounting and Reporting (Continued)**

**Payroll Account (continued)**

Salary withholdings were promptly remitted to the proper agencies, including health benefits premium amounts withheld due to General Fund.

**Employee Position Control Roster**

The Board has implemented and maintains a personnel tracking and accounting (Position Control) system.

**Reserve for Encumbrances and Accounts Payable**

A review of outstanding issued purchase orders was made as of June 30, for goods not yet received or services not yet rendered and it was determined that no blanket purchase orders were included in the balance of the reserves for encumbrances. Also, unpaid purchase orders included in the balance of accounts payable were reviewed for propriety and to determine that goods were received and services were rendered, as of June 30.

**Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. As a result of the procedures performed, a transaction error rate of 0% was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

**Board Secretary's Records**

The financial records, books of account and minutes maintained by the Board Secretary were in good condition.

The prescribed contractual order system was followed.

Bids received were summarized in the minutes (N.J.S.A. 18A:18A-21).

Acknowledgment of the Board's receipt of the Board Secretary's monthly financial reports was included in the minutes.

The original budget per the budget appropriation report did agree to the appropriations reflected in the adopted budget.

**Unemployment Compensation Insurance Trust Fund**

The Board has adopted the direct reimbursement method and has established an Unemployment Compensation Insurance Trust Fund. The financial transactions of this fund are reported in the General Fund.

**BERGEN COUNTY SPECIAL SERVICES SCHOOL DISTRICT  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

**Financial Planning, Accounting and Reporting (Continued)**

**Other Special Federal and/or State Projects**

The district's Special Projects were approved as listed on Exhibit K-3 and Exhibit K-4 located in the ACFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the ACFR. This section of the ACFR documents the financial position pertaining to the aforementioned special projects.

**T.P.A.F. Reimbursements**

Our audit procedures included a test of the semi-monthly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

**T.P.A.F. Reimbursement to the State for Federal Salary Expenditures**

The amount of expenditure charged to the current year's Final Report for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

**School Purchasing Programs**

**Contracts and Agreements Requiring Advertisement for Bids**

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$44,000 (with a Qualified Purchasing Agent) and \$32,000 (without a Qualified purchasing Agent), respectively. The Board has designated the Purchasing Manager as the Qualified Purchasing Agent. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$22,400.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Board Attorney's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

The results of our examination indicated no instances where payments, contracts, or agreements were made "for the performance of any work or the furnishing or hiring of any materials or supplies," in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal, however, that purchases were made through the use of State contracts. However, the District does follow a rigorous policy where all purchases are publicly bid, quoted or bought through the use of state contracts.

**BERGEN COUNTY SPECIAL SERVICES SCHOOL DISTRICT  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

**School Food Service**

The school food service program was not selected as a major federal and/or State program. However, the program expenditures exceeded \$100,000 in federal and/or State support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the School Food Authority (SFA) had any Child Nutrition Program reimbursement overclaims or underclaims. No exception were noted.

We also inquired of school management, as to whether the SFA's expenditure of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The District utilized a food service management company (FSMC) and is depositing and expending program monies in accordance with N.J.S.A. Provisions of the FSMC contract were reviewed and audited. The FSMC contract included a stop-loss guarantee of \$108,705. The operating results provision has been met. All vendor discounts, rebates and credits from vendors and/or FSMC were tracked and credited to the Food Service Account and reconciled to supporting documentation at least annually.

U.S.D.A. Food Distribution Program Food and/or commodities were received and a separate inventory was maintained on a first-in, first-out basis. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Fund Net Position (ACFR Schedule B-5) does separate program and non-program revenue and program and non-program cost of goods sold.

Exhibits reflecting Child Nutrition Program operations are included in the section of the ACFR entitled Enterprise Funds.

**Regional Day School**

The Board operates one Regional Day School as part of an agreement with the State of New Jersey.

**Scholarship Accounts**

The Board maintains scholarship accounts which are included in the Special Revenue Fund.

Cash receipts and disbursements records for the accounts were maintained in good condition.

Cash disbursements reviewed had proper supporting documentation.

**Student Activity Accounts**

The Board has a policy which clearly established the regulation of student activity funds. Cash receipts and disbursements records for the District's student activity accounts were maintained in satisfactory condition.

**BERGEN COUNTY SPECIAL SERVICES SCHOOL DISTRICT  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

**Application for State School Aid**

Our audit procedures included a test of information reported in the October 15, 2024 Application for State School Aid (A.S.S.A.) for students on-roll and low income. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers without exception. The information that was included on the workpapers was verified. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

**Pupil Transportation**

Our procedures included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. The bid specifications for the purchase of buses were in compliance with applicable statutes. No exceptions were noted in our review of transportation related purchases of goods and services.
