

BLS Family,

We’re excited to announce the next date for our **Social Skills Class**! These groups are designed to help kids build confidence, connect with peers, and practice important social tools in a supportive and fun environment.

- 📅 **Sunday, October 26th**
- 🕒 **2:00 PM** – Ages 2.5–4 years
- 🕒 **3:00 PM** – Ages 5–10 years

Led by our skilled speech therapist, this month’s theme will focus on **handling surprises, adapting to changes, and using flexible thinking in social situations**—skills that help kids feel more confident when things don’t go as planned.

💡 Spots are limited, so be sure to reserve your child’s spot early!

We can’t wait to see your little ones there.

Warm regards,
Dr. Brittany Nardone, PT, DPT

SOCIAL SKILLS CLASS

Monster Mix-Ups: Handling Surprises with Flexibility

This Halloween-themed social skills class helps kids build confidence when faced with the unexpected. Children will practice staying calm when plans change, managing big feelings around surprises, and using flexible thinking in social situations. By learning strategies to adapt and cope with the “tricks” that life throws their way, kids will strengthen resilience, problem-solving, and peer connection—all while having fun in a supportive environment. 🎃 🧛
