

Online Research Opportunity

Job Interview Prep Research Study

We're thrilled to share a valuable opportunity with our We've Got Friends community! The Kessler Foundation is conducting a **Job Interview Prep Research Study**, designed to help individuals build confidence and improve their interview skills.

This study is not hosted by We've Got Friends, so you'll need to sign up directly through the Kessler Foundation. This is a great chance to gain essential interview skills while contributing to important research. Don't miss out!

ADHD Virtual Research Study

About the Study

We are looking to evaluate a strength-based intervention in improving job interview skills in young adults with Attention Deficit Hyperactivity Disorder (ADHD) or other learning differences (e.g. dyslexia).

Who is Eligible

- 14-26 years of age
- Have a diagnosis of ADHD or other learning differences (such as dyslexia)
- Speak and read English fluently

What is Involved

- Study is completely virtual
- Enrollment period is 8 months including:
 - 2 virtual testing sessions (2 hours each)
 - Mock job interviews
 - 12 Job Interview Training Sessions (1 hour each 1-2 times a week)
 - 6 month follow up

Compensation

Participants receive up to \$100 for completing the study
